BUILDING CODE INFORMATION

Although Home Patterns LLC strives to create the most complete package available, it is impossible for Home Patterns LLC to, in every instance, be aware of all local, state, and national building codes. Home Patterns LLC provides a basic set of documents that are intended to meet general and common national building codes. Home Patterns LLC does not assume any responsibility for any local, state, or national building codes that may apply to the project. Such regulations and codes may include but are not limited to: local, state, or national building codes, etc. Some states, cities, or municipalities may require a permit for construction. Home Patterns LLC is not a professional engineer or architect. Home Patterns LLC is not responsible for any local, state, or national building codes that may apply to the project. Home Patterns LLC is not responsible for any local, state, or national building codes that may apply to the project. Home Patterns LLC is not responsible for any local, state, or national building codes that may apply to the project.
